Established in 1969, **Hanuman Power Transmission Equipments Pvt. Ltd.** was initially started as Hanuman Traders, one of the oldest dealers of Electric Goods in Mumbai, India.

We are authorized distributors, stockiest and exporters of Industrial Products like Electric Motors, Gear Boxes, Geared Motors, Stirrers, Pumps, Fluid Couplings and AC Drives. In addition to this, our group company, **Hanuman Steel Impex**, is also engaged in import- export of Stainless Steel Products like Pipes, sheets, tubes, plates and coils and are one of the leading distributors of **JINDAL Stainless Ltd.** in India.

Our strong association with our channel partners like **Siemens, ABB, Crompton Greaves (CG), REMI, Premium Transmission Ltd./ Radicon (Greaves), Motovario (Italy), Bharat Bijlee, IC Bauer**, etc. has helped us to cater to a wide network of OEM's and meet the manufacturing needs of numerous industrial applications like Pharmaceuticals, Oil and Gas, Petrochemicals, Iron and Power, HVAC, Material handling, Food Processing, Packaging and Bottling, Printing, Textiles, Material handling, Rubber, Plastic, Steel Industries, etc. in India.

We also regularly Export to various End users, OEM's, and Turnkey project Consultants in Middle east, Africa, Egypt, Asia, etc. and can provide best globally competitive techno-commercial and documentation assistance.

With our diverse portfolio and the availability of wide range of industrial goods under one roof, we have focused our resources in providing a very satisfying service to our customers, who are an integral part of our company. We aim at establishing a strong and long-term continuous business relation with your organization.

Authorised Channel Partners

"We do not please our customers, We satisfy them...!"
